See other side for order form

One of the most effective, powerful ways we can improve our water quality and soil health is by the simple act of planting trees. Geauga SWCD is pleased to announce this year's tree sale, continuing its tradition of offering affordable trees and plants suitable to a wide variety of landscaping needs. From yard beautification to energy conservation to storm water runoff reduction, the planting of trees continues to be a worthwhile investment in our yards and communities. **Submit your order by Friday, April 1st!**
