2020-2021 Ag in the Classroom Grants
Sponsored by Geauga Soil and Water Conservation District

The Geauga Soil and Water Conservation District (SWCD) is now offering grants for the 2020-2021 school year to increase awareness, knowledge and appreciation of agriculture in the youth of Geauga County. The \$1,000 grant will be awarded to kindergarten through 12th grade core education teachers whose innovative classroom projects use agricultural concepts to teach reading, writing, math, nutrition, science and/or social studies as well as to encourage a partnership between the Geauga SWCD and local schools in providing agricultural education.

Grant Information

Grant application information will be sent to all Geauga County Schools. The Geauga SWCD has \$1,000 allocated for the **Agriculture in the Classroom Education** project.

The Geauga SWCD will review proposals as they are received. The final deadline is **March 31, 2020**. Approved projects will be notified shortly there-after. Once awarded, projects must begin within the 2020-2021 school year, and all critical activities must be completed within one year of their commencement. Projects must have proof of school board and principal approval.

Please email application to knainiger@geaugaswcd.com or mail or submit application in person to Geauga Soil and Water Conservation District, P. O. Box 410, 14269 Claridon-Troy Rd., Burton, OH 44021. Visit geaugaswcd.com or call 440-834-1122 if you have

any questions about the scholarship. For grant application visit Geauga SWCD website at www.geugaswcd.com.
