	Team	County	aquatics	wildlife	soils	forestry	cei	Total Score

The teams highlighted and having an asterisk next to their name have been deemed ineligible to advance to State according to Rule #2 of the Area 2 Envirothon Rules and Regulations: "Teams will consist of a minimum of five team members. Only five member teams will be eligible to go on to State competition. If a three or four member team places at the Area Envirothon, they may compete at the state competition only if they have 5 members registered at the Area competition." Therefore, teams (Mansfield Christian Team A and The Perry Pirates) placing 6th and 7th at the 2022 Area 2 Envirothon will move up to 4th and 5th respectively. The Area 2 SWCDs appreciate all of the teams that competed this year and we thank all of you for understanding and accepting the Area 2 Envirothon rules and regulations. The Ohio Envirothon Committee strives to make the Envirothon competition as fair and equitable as possible for everyone.
