2018 Rain Barrel Yard Art Campaign

Since 2006 Geauga Soil and Water Conservation District (SWCD) has been sponsoring its Rain Barrel Yard Art Campaign. Through this creative community initiative, local artists transform 55-gallon recycled plastic barrels into beautiful, repurposed rain barrels! By collecting rooftop runoff for watering landscapes, lawns, and flower gardens, these decorated rain barrels help save water, alleviate flooding, and reduce stormwater pollution.

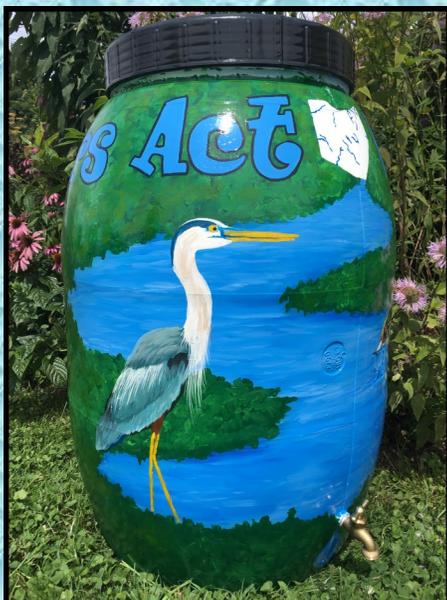

Five talented Geauga County artists have each painted a barrel that uniquely reflects this year's theme - ***Celebrating Rivers!*** Rain barrels will be displayed at the Geauga SWCD office and are available for bidding here or on our website until Friday, October 5th. **Check the website for current minimum bid amount of each barrel prior to submitting a bid!** For more information visit geaugaswcd.com or call 440-834-1122.
