

Geauga Soil and Water Conservation District

2020 Rain Barrel Yard Art Campaign

Since 2006 Geauga Soil and Water Conservation District has been sponsoring its Rain Barrel Yard Art Campaign. Through this creative community initiative, local artists transform 55-gallon recycled plastic barrels into beautiful, repurposed rain barrels! By collecting rooftop runoff for watering landscapes, these decorated barrels save water, alleviate flooding & reduce stormwater pollution. Seven talented Geauga County artists have each painted a barrel that uniquely reflects Geauga County's natural, cultural, agricultural, or historical resources.

Rain barrels are available for bidding on our website and displayed at the Geauga SWCD office. **Minimum bids start at \$90. Be sure to check current bid amount for barrels prior to submitting a bid!** Visit geaugaswcd.com or call 440-834-1122. Deadline to bid is 3:00 pm Friday, October 30th.
